

We are pleased to inform you about an opportunity led by American Scholars from US-Poland International Exchange Fellowships.

The **2024 Women in STEM-Poland Short Essay Contest** encourages students to write a short essay about a woman from a Science, Technology, Engineering, or Mathematics (STEM) field in English.

Top entries will receive a certificate of achievement and prizes provided by American Corner UMCS Education & Business Center and US Embassy Warsaw. The essay competition starts on March 8th and will end on April 14th.
