Krótki opis / Short description
MA Seminar focus/topic: Special Educational Needs in Teaching English as a Foreign Language
Seminar description (what to expect): The seminar aims to provide the students with the knowledge and skills necessary to effectively teach English as a foreign language to students with Special Educational Needs. The MA seminar explores unique challenges that come with teaching English as a Foreign Language to students with Special Educational Needs and provides strategies for creating an inclusive and supportive learning environment. The acquired knowledge should enable the graduate to understand the diverse needs of students with Special Educational Needs, adapt teaching methods and materials to meet these needs, develop strategies for inclusive teaching, and gain practical knowledge in lesson planning and classroom management for Special Educational Needs students in the Foreign Language context.
